

## ■ Cable type 6 - Flat cable 16 cores

963665

### Construction :

#### Conductors :

Tinned copper

#### No. Cores x cross section (n x mm<sup>2</sup>):

16 x 0,0806 mm<sup>2</sup>

#### Contact pitch :

127 mm

#### Insulation :

PVC

#### Sheath colour :

Grey with red edge mark on first conductor

#### Width :

20,32 mm

#### Thickness :

0,89 mm

### Technical specifications :

#### Impedance :

105 ohms

#### Temperature rating :

105°C

#### Fire Performance :

VW-1

#### Absence of harmful substances :

RoHS compliant
