

■ Cable type 02 - Ribbon cable 10 cores

10x 0.08mm² (AWG28) Ribbon Cable, Flat , Unscreened (963666)

Construction :

Conductors :

Tinned copper

No. Cores x cross section (n x mm²):

10 x 0,08 mm²

Contact pitch :

127 mm

Insulation :

PVC

Sheath colour :

Grey with red edge mark on first conductor

Width :

12,7 mm

Thickness :

0,89 mm

Technical specifications :

Impedance :

105 ohms

Temperature rating :

105°C

Fire Performance :

VW-1

Absence of harmful substances :

RoHS compliant
